

KEW

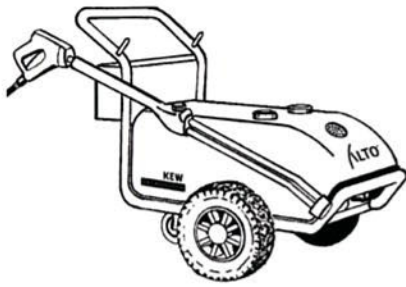

High Flow

Multi-User Pressure Washer

High Flow

Multi-User Cold Water Electric Pressure Washer

KEY FEATURES

- Two-pump system supports one or two operators
- Industrial duty C3 Series, 4 cylinder pumps
- Automatic Start/Stop feature for reduced pump wear
- One operator can use both pumps at once with 5-10 gpm for increased cleaning effect.
- Accepts inlet water up to 160°F providing hot water cleaning capability.

SPECIFICATIONS

Model	High Flow
Part Number	7330921
Motor (hp)	2 x 8.8
Power (VAC/Amps/Phase)	220/25/3 - 440/12.5/3
Max Pressure	2700
Max Water Volume (gpm)	10 (2x5)
Dimensions (in.)	41.5 x 28.5 x 30.2
Weight (lbs.)	300

WHO USES THIS MACHINE?

- Food service facilities
- Food processing plants
- Manufacturing areas
- Farming and agricultural interests

WHAT DOES IT DO BEST?

- Removes dirt and grime
- Cleans grease and oil
- Cleans and rinses heavy solids
- *Speeds work typically done by hand*

WHAT MAKES IT EASY TO USE?

- Quick couplers for both water supply and high pressure hose
- Easily accessible operator controls
- After selecting one pump or two pump operation, start/stop function is automatic on demand
- Convenient on-board storage for trigger gun, lance and high pressure hoses

WHAT ENHANCES ITS PRODUCTIVITY?

- Adjustable high water volumes for more cleaning effectiveness
- As many as two operators can clean at once
- Accepts inlet water up to 160°F for quick effective cleaning of grease, oil, and fats
- Comes complete with KEW ERGO 3000 trigger gun with safety lock, quick connect lance and 50ft. of high pressure hose

WHAT ADDS TO ITS DURABILITY?

- Rugged tubular stainless steel frame
- Corrosion-resistant cabinet
- Low RPM C3 axial pump design reduces vibration
- TEFC electric motor

WHAT ARE THE SAFETY FEATURES?

- Full enclosed design protects internal components
- Stable three-point stance with locking steering caster
- Built-in overpressure Safety Valve in each pump
- Two TEFC (Totally enclosed Fan Cooled) electric motors provide safer operation in wet locations
- Automatic Start/Stop function does not require external wiring or switches

WHAT ARE THE OPTIONAL FEATURES?

- Full range of KEW high pressure cleaning accessories
