

KÄRCHER

makes a difference

SIMPLE YET EFFECTIVE FLOOR CLEANING.

Greater productivity, maintenance free auto mop.

PROFESSIONAL | B 60/10 ECO

Do more with less.

The B 60/10 Eco combines the best features of a mop with the best features of an autoscrubber to make a new category of cleaning equipment. We recognized a need for a cleaning solution between a mop & bucket and an autoscrubber in function, capability and price.

1 Safety

- Leaves floor dry and reduces slip-n-falls
- National Floor Safety Institute High Traction Certification (NFSI)

2 Hygienic / Green

- Clean with clean water vs. spreading dirty water
- Quiet <52 dBA

3 Hygienic / Green

- 5x the cleaning rate of a mop in open areas
- Greater productivity than a 20" pad assist autoscrubber
- Maintenance free: no batteries, no cords
