

# KÄRCHER

makes a difference

## BRILLIANT FLOORS EASILY.

Make your floors shine bright with these durable burnishers.

# Make your floors shine brilliantly.

Make your floors shine brilliantly with the BDP 51/1500 C and 2000 C. We included features such as a mechanical interlock to prevent accidental starts for safety. The built in circuit breaker protects the motor for long life and durability. These efficient burnishers restore your hard floors to a like-new shine. They have an easy to use adjustable handle and a non-marking bumper to protect your machine and facility.

## 1 Performance

- Floating handle automatically adjusts to operator height simplifying operation and providing a consistent high-gloss shine.
- Powerful dust control system captures dust in an easy to remove paper bag and provides a healthier work environment.
- Direct drive motor provides reduced maintenance cost.

## 2 Safety

- Mechanical safety interlock to prevent accidental start-ups.
- Built in circuit breaker to protect motor.

## 3 Durability

- Rugged cast aluminum base and switch housing with non-marking bumper to protect the machine and facility.
