We Know How To Get Things **CLEAN**

2518 SERIES

An unrivaled performer in the top-load field

The 2518 Series is at the top of our line with ruggedness and automation throughout. It comes standard with a time-tested chain drive assembly, virtually maintenance-free vertical seal-less pump, and disc oil skimmer that can be automated for convenience in disposing of oil. Extra-easy access to the sump and removable debris screen set it apart from other top-loaders on the market.

Aqueous parts washers clean faster and better without using harmful solvents!

Cuda automatic parts washers provide a safe and efficient solution to cleaning parts because they don't use harmful cleaning solvents to clean. Our automatic parts washers also provide a time-saving, easy parts cleaning solution for your staff allowing them to simultaneously clean parts while performing other tasks.

1 Simple Controls

- Control panel has simple controls for oil skimmer, heater, turntable and wash-cycle operation, as well as, a low water shut-off indicator.

2 Vertical Seal-Less Pump

- Creates a positive flow and eliminates pump vibrations.
- Positioned for easy service when needed.

3 Customize and Accessorize

- Customize your parts washer to your specific needs, like this pneumatic power brush, so washing becomes the easiest part of the work day.

4 Detergents Extend Your Warranty

- The 90-day labor warranty for all Cuda Kärcher Group parts washers is automatically extended to a 1-year labor warranty with exclusive use of our solvent free detergents. Our parts washers are also covered by a 1-year parts warranty.
