We Know How to Get Things **CLEAN**

Cleaning and Environmental Treatment Equipment & Chemicals

Lorchem Technologies is proud to announce the release of our newest, most cost effective chemical line to date. This new catalog represents the answers we have developed for the cleaning challenges that you have today.

Check the table of contents for the area where you need answers, then follow the trail.

Testing, and perfecting chemicals for its customer base, Lorchem continues to evaluate new chemistry, to stay on top of the latest developments.

Lorchem continues to strive for the widest range of safe, and cost effective chemicals to help you be a clean and environmentally conscious company.

Testing should confirm cleaning effectiveness on each type of surface and stain designated to be cleaned.

Always test prior to beginning full-scale cleaning operations.

All Purpose Cleaners

Product Name	Packaging
APC (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15 and 55 Gal. Drums

Description:

All Purpose Cleaner. Industrial strength cleaner. Fortified with butyl. Cleans even in the presence of glass, aluminum, and stainless steel without etching or streaking. Concentrated.

Product Name	Packaging
Bio-Force (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail

Description:

Enzyme Degreaser Deodorizer. Enzyme-fortified degreaser/deodorizer designed to clean hard porous surfaces such as concrete, quarry tile, ceramic tile, brick or any grouted floor surface. Deep penetrating detergents emulsify and suspend soil while four types of specially bred enzyme bacteria cultures organically digest protein soils such as grease, fat, grime, urine deposits, soap scum and body oils.

Product Name	Packaging
Blast Away II	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated for the toughest of cleaning jobs. Removes most oils, greases, and carbon build-ups found in industrial food environments. Effective as a paint and power coat stripper. Ideal for restaurant hoods, deep fat fryers, grills, and most restaurant equipment. Not for use on vehicles, aluminum or brass, painted surfaces or galvanized metals. Effective downstream or as a pre-spray. Contains corrosion inhibitors to protect cleaning equipment.

Product Name	Packaging
Citrakleen	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Natural, non-butyl, citrus based cleaner and deodorizer. Contains d-limonene. Effective as a grease trap maintainer. Ideal for general purpose cleaning, degreasing, and light tar/asphalt removal on a wide range of surfaces. Leaves a fresh citrus scent. Non-corrosive. Non-flammable.

All Purpose Cleaners (cont.)

Product Name	Packaging
Citrus Oxygenated (Warsaw)	4 x 1 Gal. Case

Description:

All Purpose Cleaner. Concentrated, truly remarkable cleaner fortified with natural citrus cleaning power and hydrogen peroxide (H₂O₂). This stable combination along with a specialized surfactant system quickly attacks the most stubborn soils and stains.

Product Name	Packaging
G-65 (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

General Purpose Cleaner. Highly concentrated liquid detergent. Combines quality and versatility with fast cleaning action. Leaves surfaces clean and film free.

Product Name	Packaging
Grime Kleen	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Grime Kleen is a biodegradable mildly alkaline natural citrus cleaner. Grime Kleen is very effective as a pre-spray for tough cleaning problems on aluminum, stainless steel, metal, tires and engines. Safe for glass, painted surfaces and polished aluminum. Contains corrosion inhibitors, anti-scale agents, and a free rinsing surfactant package. Economical.

Product Name	Packaging
Green Time All Purpose Cleaner/Degreaser (Warsaw)	4 x 1 Gal. Case

Description:

This powerful cleaner/degreaser is the environmentally preferred solution, formulated to tackle the most difficult cleaning tasks. A unique blend of biodegradable surfactants penetrates and breaks down greases, oil and fats on all water safe surfaces.

All Purpose Cleaners (cont.)

Product Name	Packaging
Green Time H₂O₂ All Purpose Cleaner (Warsaw)	4 x 1 Gal. Case

Description:

Truly remarkable cleaner, combining the power of natural citrus solvent, premium detergents, and hydrogen peroxide. The complete environmentally friendly cleaning system.

Product Name	Packaging
Krud Kutter	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Heavy-duty highly concentrated alkaline phosphate-based detergent. Removes atmospheric pollution, oils and greases, and most stubborn soils. Ideal for use on heavy equipment, tough manufacturing equipment, and construction equipment. Performs well in hard or soft water. Freeze-thaw stable. Extremely economical to use.

Product Name	Packaging
Krystal Kleen	25 lbs., 50 lbs., 100 lbs., 400 lbs. Box

Description:

Powdered industrial detergent. Safe for use on painted and metal surfaces when used as directed. Quick release properties. Works well in hard and soft water. Contains corrosion inhibitors to protect equipment and prevent flash rusting. Good all-purpose economical detergent.

Product Name	Packaging
Restore 900	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated as a pre-spray or spray-on/wipe off product. May be used on almost any surface including painted, metal, rubber, glass, and most fabrics. Removes a wide range of soils including most greases and oils, waxes, and atmospheric grime.

All Purpose Cleaners (cont.)

Product Name	Packaging
Super Kleen 7	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem Super Kleen 7 is formulated from high quality emulsifiers, alkaline builders and complex wetting agents. Super Kleen 7 blasts away tough oil, grease, and grime. Safe for aluminum and brass. Works well with high or low pressure and at any temperature. Reserve power at high dilution ratios. Works well with hard water.

Product Name	Packaging
Tuff Stuff II	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

A mildly alkaline citrus based butyl cleaner. Excellent free-rinsing package. Safe for use on all painted, plastic, and metal surfaces. Contains corrosion inhibitors to protect equipment and prevent flash rusting. Highly effective emulsifier. Freeze/thaw stable.

Aluminum Brighteners

Product Name	Packaging
Aluma-Blast	5 Gal. Pail; 55 Gal. Drum

Description:

Aluminum Cleaner / Brightener. Lorchem's Aluma-Blast is an aggressive cleaner that whitens and brightens aluminum. Aluminum surfaces are left with a clean and white appearance. For use on aluminum surfaces such as fuel tanks, wheels, rub-rails, pontoons, etc. Contains hydrofluoric acid. Keep off of glass. Do not use on polished aluminum.

Product Name	Packaging
Aluminate (Warsaw)	

Description:

Aluminum/Stainless Steel and Kemlite Wall Cleaner. Super concentrated cleaner, brightener, and conditioner for satin finish on over-the-road trucks and trailers. Removes heavy soil, grease, soap scum, and hard water deposits from carwash kemlite walls.

Product Name	Packaging
Bright Master Plus II	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Bright Master Plus II is a balanced blend of acids, fluoride salts, and wetting agents specially designed for those extra hard-to-clean jobs. Formulated with reserve power to thoroughly brighten even the most neglected aluminum surfaces. This one-step cleaner rapidly dissolves mineral deposits, oxidation, and rust stains with a single application. Must be applied down-stream or using a pump up sprayer. Dilutable. Keep off of glass and polished aluminum surfaces.

Aluminum Brighteners (cont.)

Product Name	Packaging
JD Aluminum (Warsaw)	4 x 1 Gal. Case, 5 Gal. T-Head, 15, 30 and 55 Gal. Drums

Description:

Aluminum/Stainless Steel Cleaner. Concentrated cleaner, brightener, and conditioner. Restores original luster and shine. Strips oxidation, removes soil, dirt and exhaust film.

Product Name	Packaging
Polishmaster	5 Gal. Pail; 55 Gal. Drum

Description:

Aluminum/Stainless Steel Cleaner. A mild acid solution with detergents designed to clean aluminum and stainless steel. Cleans aluminum without whitening the surface, leaving a “like new” appearance. Use Polishmaster on aluminum or stainless steel tankers, bulk carriers, gravel trains, etc. Not designed for use through a pressure washer, apply undiluted with an air pump system or pump sprayer.

Product Name	Packaging
Quick Silver	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Quick Silver is designed for fast, effective cleaning and maintenance of polished aluminum. It is blended with the finest combination of surfactants and light acids to remove oxidation and soils. Safe for use on all polished aluminum, chrome, glass, stainless steel, and painted surfaces when used as directed. Works with hot or cold water. Must be applied using a pump up sprayer or downstream injection.

Product Name	Packaging
Silverside	5 Gal. Pail; 55 Gal. Drum

Description:

Aluminum Cleaner/Brightener. Lorchem’s Silverside is an aggressive cleaner that brightens and removes oxidation on aluminum and painted surfaces. Aluminum surfaces are left with a silver-like appearance. For use on aluminum surfaces such as fuel tanks, wheels, rub-rails, pontoons, etc. Contains hydrofluoric acid. Keep off of glass. Do not use on polished aluminum.

Aqueous Parts Washer Detergents

Product Name	Packaging
APW-44P	40 lb. Pail; 450 lb. Drum

Description:

Lorchem's APW-44P is a completely biodegradable water-based parts washer detergent. It is solvent free, non-foaming, fast acting, and has no chelating agents. APW-44P contains an exclusive corrosion inhibitor package which prevents flash rusting, even helps prevent darkening of brass parts. This parts washer detergent is recommended in cleaning metals, paints, plastics, stainless steel, brass and aluminum. Safe to use on food surfaces, make sure you rinse parts thoroughly with cool water. Protects your parts washer and parts from harmful damage. Soft water is preferred, if available.

Product Name	Packaging
APW-45L	5 Gal. Pail; 55 Gal. Drum

Description:

Lorchem's APW-45L is an alkaline, non-foaming all purpose cleaner. APW-45L cleans most greases, grimes, soils. It dissolves, loosens and suspends heavy embedded soils. APW-45L can be used on steel, brass, aluminum, iron, plastics and painted surfaces. APW-45L is an effective industrial floor cleaner which can be used through your floor scrubbers. With its powerful combination of water softeners, anti-scaling properties, non-foaming agents, surfactants and solvents it leaves an extremely clean surface. APW-45L contains no chelating agents.

Product Name	Packaging
APW-77P	40 lb. Pail; 450 lb. Drum

Description:

Lorchem's APW-77P is a completely biodegradable non-caustic, butyl free heavy duty alkaline detergent for use in automatic parts washers and soak tanks. Contains natural d-limonene for heavy duty cleaning and degreasing of all metals. APW-77P is non-foaming and contains a powerful blend of de-foaming agents. APW-77P contains an exclusive corrosion inhibitor package which prevents flash rusting and helps prevent darkening of brass parts. Recommended for cleaning metals, paints, plastic, stainless steel, aluminum, and brass.

Aqueous Parts Washer Detergents (cont.)

Product Name	Packaging
Stripper 105 (Warsaw)	25 lb. Box, 50 lb. Drum, 100 lb. Drum, 350 lb. Drum

Description:

Detergent designed to be used for steel and cast iron parts. Do not use on aluminum.

Product Name	Packaging
Stripper 410 (Warsaw)	25 lb. Box, 50 lb. Drum, 100 lb. Drum, 300 lb. Drum

Description:

Detergent designed to be used for all metals including aluminum.

Degreasers

Product Name	Packaging
--------------	-----------

AD2000 (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums
------------------------	--------------------------------------------------------

Description:

Industrial Strength Degreaser. Super concentrated, butyl-based degreaser. Formulated to penetrate and remove heavy industrial grease. 25.58% total activity.

Product Name	Packaging
--------------	-----------

Institutional AD2000 (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums
--------------------------------------	--------------------------------------------------------

Description:

Detergent/Degreaser Concentrate. Butyl-based alkaline detergent designed for industrial and institutional heavy duty cleaning. 14.40% total activity.

Product Name	Packaging
--------------	-----------

Blast Off	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote
------------------	------------------------------------------

Description:

Formulated for the toughest degreasing and carbon removal jobs. Not for use on painted surfaces, aluminum, or galvanized metals. Must be applied using pump-up sprayer or downstream injection. Ideal for cleaning restaurant grills, fryers, and hoods. Effective on both mineral and animal fats, oils, and greases. Effective with hard and soft water. Reserve strength.

Product Name	Packaging
--------------	-----------

Break Up 347	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote
---------------------	------------------------------------------

Description:

Highly concentrated degreaser safe for use on construction equipment, engines, frames, mining and oil-field equipment. Citrus scent. Free rinsing package. Extremely economical.

Degreasers (cont.)

Product Name	Packaging
Charge (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Detergent/Degreaser Concentrate. Super strength non-butyl degreaser. Excellent for use in automatic scrubbers and pressure washing equipment.

Product Name	Packaging
Clean All (Warsaw)	

Description:

Ready-to-use Degreaser. Clean All is a non-butyl, ready-to-use cleaner/degreaser. New surfactant technology provides unusual ability to quickly penetrate and remove grease-based soils in industrial, automotive, and food service applications. Safe for use on nearly every washable surface. The preferred choice in facilities where butyl cleaners are restricted.

Product Name	Packaging
D then C (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Non-butyl Cleaner/Degreaser. (Dilute then Clean) super concentrate, industrial strength degreaser. Cuts through greasy buildups and heavy encrustations fast. Great for kitchen and restaurant degreasing. Effectively replaces butyl degreasers.

Product Name	Packaging
DG 54	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

DG 54 is a concentrated blend of surfactants, alcohol, alkaline builders, and a natural citrus product. Safe for use on cars, trucks, recreational vehicles, decks, sidewalks, driveways, and house siding. Helps restore and renew old oxidized paint and vinyl surfaces. Exclusive dispersion and water softening package. An excellent broad use product.

Degreasers (cont.)

Product Name	Packaging
Fastball (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drum, 12 x 1 Qt. Case
Fastball Aerosol Foaming Cleaner (Warsaw)	12 x 18 oz. Can Case

Description:

Ready-to-use Cleaner/Degreaser/Deodorizer. Industrial strength, heavy duty cleaner and degreaser. Quickly penetrates and removes dirt, grease, oil films, fingerprints, crayon, ink, pencil marks, smoke film, etc. Fortified with butyl and pine oil.

Product Name	Packaging
Fastball Super Concentrate (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drum, 12 x 1 Qt. Case

Description:

Concentrate Cleaner/Degreaser/Deodorizer. 1 Part Fastball to 5 Parts Water for Ready-to-use.

Product Name	Packaging
Grease Blaster	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Grease Blaster is a heavy duty non-caustic degreaser with a complex package of wetting agents and d-limonene. Safe for use on all painted and metal surfaces, Grease Blaster provides heavy duty degreasing without the corrosive nature of sodium hydroxide. Helps restore old oxidized painted surfaces. Excellent diluteability.

Degreasers (cont.)

Product Name	Packaging
Grime Cutter II	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Grime Cutter II is a powerful liquid industrial detergent. It is effective in cleaning engines, fifth wheel, off-road-equipment, tractor/trailers, other commercial vehicles and construction equipment. Grime Cutter II also does an excellent job in drive-thru truck wash bays. Grime Cutter II is NOT for use on fine auto finishes. Do not use this product on fine polished aluminum, magnesium or galvanized metals. Grime Cutter II contains an exclusive scale stop package that stops system scale build-up before it becomes a problem. Grime Cutter II contains Caustic Soda, Sodium Nitrilotriacetate, Ethoxylated Alcohol, natural citrus, water softening, and corrosion inhibitors. Grime Cutter II is completely biodegradable.

Product Name	Packaging
Orange 90 (Warsaw)	4 x 1 Gal. Case, 5 Gal. T-Head, 15 and 55 Gal. Drums, 12 x 1 Qt. Case

Description:

Degreaser/Deodorant/Drain Cleaner. Natural citrus water-based degreaser, all natural solvent degreaser with d-limonene. Cleans grease and heavy oil deposits as it deodorizes.

Product Name	Packaging
Orange Fury (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 55 Gal. Drum, 12 x 1 Qt. Case

Description:

Ready-to-use Foaming Degreaser. Heavy duty foaming cleaner/degreaser. Fortified with natural citrus solvent.

Product Name	Packaging
Red Heat II	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem Red Heat II is formulated with a heavy duty balanced blend butyl and sodium hydroxide for use in the toughest cleaning problems. It is effective in cleaning the toughest applications, industrial equipment, trucks and fork trucks. Removes the worst grease, grime and carbonaceous soils. Red Heat II is NOT for use on fine painted surfaces or galvanized metals. Red Heat II prevents flash rusting, and is very economical due to the amount required to clean. Red Heat II is completely biodegradable.

Degreasers (cont.)

Product Name	Packaging
Smash (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums,

Description:

Non-butyl Cleaner/Degreaser/Deodorant. Revolutionary blend of water-soluble components, surfactants, and detergents. Dissolves and emulsifies grease fast. Excellent for use in automatic scrubbers.

Product Name	Packaging
Trail Blazer (Warsaw)	

Description:

Auto Scrub Detergent/Degreaser. Trail Blazer is a non-butyl cleaner/degreaser utilizing a new surfactant technology that emulsifies and removes heavy industrial, automotive, and food service soils. Its low foaming properties make it ideal for use in automatic scrubbers. The perfect choice to remove heavy soils from nearly every washable surface. Use on floors, walls, partitions or wherever heavy soil is a problem.

Disinfectant & Sanitation

Product Name	Packaging
Air Essence Cinnamon (Warsaw)	12 x 1 Qt. Case

Description:

Concentrated Odor Counteractant. Eliminates odors at their source. Available in other fragrances.

Product Name	Packaging
DDDS One Step Wintergreen (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Detergent/Disinfectant/Deodorizer/Sanitizer. Wintergreen scented, hospital grade, neutral quaternary detergent. Cleans, deodorizes, and disinfects in one step. Will not dull floor finish. 2 oz. dilution. EPA Registered.

Product Name	Packaging
DDDS One Step Pine (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Detergent/Disinfectant/Deodorizer/Sanitizer. Pine scented, hospital grade, neutral quaternary detergent. Cleans, deodorizes, and disinfects in one step. Will not dull floor finish. 2 oz. dilution. EPA Registered.

Product Name	Packaging

Description:

Detergent/Disinfectant/Deodorizer/Sanitizer. Lemon scented, hospital grade, neutral quaternary detergent. Cleans, deodorizes, and disinfects in one step. Will not dull floor finish. 2 oz. dilution. EPA Registered.

Disinfectant & Sanitation (cont.)

Product Name	Packaging
Lemonene	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Cleaner/Disinfectant. A quat based ammonium cleaner disinfectant, Lemonene is effective against bacteria including Salmonella Choleraesuis, Pseudomonas Aeruginosa and Staphylococcus Aureus on hard surfaces. It is also effective against the HIV-1 (AIDS) Virus. Formulated to clean and disinfect while leaving a fresh, deodorizing lemon fragrance. Because Lemonene is a neutral pH cleaner, it is safe for use on finished floors and virtually all washable surfaces. Counteracts airborne odors.

Product Name	Packaging
One Step (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Neutral pH Disinfectant/Detergent/Deodorant. Concentrated, multi-purpose, and odorless quaternary detergent. Disinfects, cleans, and deodorizes in one labor-saving step. Kills HIV-1 (AIDS), Herpes, Hepatitis C. Will not dull finish. 2 oz. dilution. EPA Registered.

Product Name	Packaging
TB Quat (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 12 x 1 Qt. Case

Description:

Quaternary Disinfectant/Detergent/Deodorant. Tuberculocidal disinfectant and cleaner. Ready to use. Use on all hard, nonporous surfaces. EPS Registered.

Product Name	Packaging
Xtra (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Disinfectant/Sanitizer/Deodorizer/Algaecide. Requires no portable water rinse for sanitizing food processing equipment and food contact surfaces. 1/4 oz. dilution for sanitizing. EPA Registered.

Disinfectant & Sanitation (cont.)

Product Name	Packaging
Quat Rinse 60	5 Gal. Pail

Description:

Sanitizer/Disinfectant. Lorchem Quat Rinse 60 is a sanitizing spray and let dry compound designed to eliminate odors caused from bacterial decomposition. Simple spray at a use dilution between 20:1 and 25:1 and let set. Odors will quickly be eliminated. Safe for all surfaces.

Disinfectant & Sanitation - Washroom Sanitation

Product Name	Packaging
Bath Brite (Warsaw)	12 x 1 Pint Case, 12 x 1 Qt. Case, 4 x 1 Gal. Case

Description:

Porcelain/Toilet Bowl/Shower Tile Cleaner. 14.9% phosphoric acid. All purpose restroom cleaner. Cleans and brightens porcelain, fiberglass, ceramic tile, stainless steel, and chrome. Wintergreen fragrance. Packaged in case 12 pints for retail sale.

Product Name	Packaging
Cling TBC (Warsaw)	12 x 1 Qt. Case, 30 Gal. Drum, 55 Gal. Drum

Description:

Disinfectant Toilet Bowl/Urinal Cleaner. 9.5% hydrochloric acid. Cleans as it changes color. Removes lime, hard water stains, and urinary salts. Hospital strength. Wintergreen fragrance. EPA Registered.

Product Name	Packaging
Drain Opener (Warsaw)	12 x 1 Qt. Case

Description:

Drain Cleaner. Powerful formula opens slow running drains by dissolving grease, hair, soap scum, and debris. Fast acting, non-acid, non-fuming.

Product Name	Packaging
Eliminator (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums, 12 x 1 Qt. Case

Description:

Liquid Bacteria/Digester/Spotter. Bacteria produced enzymes digest organic wastes, eliminating the source of odors. Instant odor control for drains, grease traps, and pet odors.

Disinfectant & Sanitation - Washroom Sanitation (cont.)

Product Name	Packaging
Green Time Total Restroom Cleaner (Warsaw)	4 x 1 Gal. Case

Description:

This product is a heavy duty, concentrated cleaner formulated to quickly remove soap scum, body oils, water spots and light rust from restroom surfaces. Formulated with a unique blend of organic acid and powerful surfactants to quickly dissolve and suspend soils for easy removal. It produces a rich, clinging foam that clings to vertical surfaces.

Product Name	Packaging
Liquid Scour (Warsaw)	12 x 1 Qt. Case

Description:

Liquid Creme Cleanser. Mild abrasives remove soap scum, stains, and soil. Non-acid and non-fuming. Sassafras fragrance.

Product Name	Packaging

Concentrated Lime Remover. Versatile, economical, mild acid lime remover formulated to remove unsightly build-up of mineral deposits and lime scale. Cleans, descales, and deodorizes. Contains phosphoric acid.

Paint and Coating Removers

Product Name	Packaging
Strip It Clean	1 Gal.

Description:

Strip It Clean is a safe, easy-to use, fast interior paint stripper that works on your toughest paint stripping projects. Strip It Clean removes multiple paint layers and will go through primers, solvents, and water-based paints. Strip It Clean is pH: Neutral. Product removes various wood finishes such as varnish, shellac, and stains. Strip It Clean works great on both horizontal and vertical surfaces. Strip It Clean is readily biodegradable, non-toxic, low odor, noncorrosive, and has a low VOC. Product is safe to both the environment and applicator.

Product Name	Packaging
Strip Master	1 Gal.

Description:

Strip Master is a thickened multilayer paint remover with excellent consistency and coverage that enables it to be sprayed, rolled, or brushed. The stripper is ready to use right out of the container. The cream has a very pleasant odor and is easy to work with for the professional. This is a highly caustic product when applied to paint, it will not dry out or leave a powder residue on the surface. As a paste, the paint may be scraped off mostly intact. This product can remain on the surface a day without drying out. Strip Master, when diluted with water, makes an excellent graffiti remover. With proper neutralization with NMC, Strip Master is excellent for wood stripping and repainting. Alkyd enamels can be stripped using a two-step process. First apply Strip It Clean while still wet, and then apply Strip Master. Strip Master is also great at removing heavy dimensional black crust on limestone.

Specialty Products

Product Name	Packaging
Gumblaster (ETS)	4 x 1 Gal. Case

Description:

Gumblaster is a concentrated biodegradable cleaning agent that effortlessly removes gum from almost every surface— not just paving, asphalt, concrete, brick, linoleum and vinyl flooring, but also carpets, entrance matting and upholstery. Gumblaster is extremely effective, yet completely non-toxic and safe on the environment.

Product Name	Packaging
Interface Defoamer (Landa)	4 x 1 Gal. Case

Description:

InterFace is a fast-acting, biodegradable agent that suppresses foam build up in a wide range of equipment; soak tanks, automatic parts washers, automatic floor scrubbers. It is extremely user friendly, readily biodegradable, and works effectively in hard or soft water. The high dilution ratio makes the cost-in-use very economical. Compatible with any metal, painted or plastic.

Product Name	Packaging
Jakhammer 57	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Jakhammer 57 is a safe concrete remover for heavy build-ups. JakHammer 57 is designed to remove heavy built-up hardened concrete from ready mix trucks, scaffolding, forms, tools, and other areas where concrete tends to accumulate and harden. Will not harm painted surfaces. A strong but safe acidic cleaner designed to remove the hardened, tenacious concrete. JakHammer 57 is non-corrosive to skin, ferrous and non ferrous metals. Will not harm any of the components of ready mix trucks. Softens thick concrete overnight.

Specialty Products (cont.)

Product Name	Packaging
Jakhammer Plus	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Jakhammer Plus is an aggressive acid cleaner to attack the tough cleaning problems of removing concrete slurry, splatter, and residue from cement trucks and concrete handling equipment, forms, and tools. Jakhammer Plus helps keep equipment looking good and makes maintenance of equipment easier. Contains inhibitors to reduce acid etching and scoring of hydraulic rams and reduce corrosion in mechanical area.

Product Name	Packaging
Klor Kleen	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Klor Kleen is a chlorinated cleaner for use in cleaning up bakeries, restaurants, packing plants, schools, hog confinements, etc. Klor Kleen cleans up greases, oils and carbonaceous soils. Klor Kleen is safe to use on food preparation surfaces—rinse thoroughly with cool water, soft is preferred if available. Klor Kleen contains an effective scale stopper to protect machine systems from scale build-up before it becomes a problem. Klor Kleen contains Ethoxylated Alcohol, Ethylene Glycol Monobutyl Ether, Chlorine, Sodium Metasilicate, solvents, water softening agents, and corrosion and scale inhibitors.

Product Name	Packaging
Phos-Tite 54	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Phos-Tite 54 is a dual purpose product designed to clean and phosphatize ferrous surfaces to enhance paint adhesion. Formulated with complex wettings agents and water conditioning compounds, Phos-Tite 54 cleans and leaves the surface prepped for superior paint adhesion and corrosion resistance. Designed to work well in either hard or soft water, Phos-Tite 54 helps prevent flash rusting when used as directed.

Product Name	Packaging
Response Vapor Corrosion Inhibitor (Landa)	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

A non-foaming inhibitor designed to prolong the life of a parts washer by preventing rust and corrosion above and below the water line. Safe to use on any part cleaned in a parts washer. Designed specifically for use in automatic parts washers.

Specialty Products (cont.)

Product Name	Packaging
RI Rust Inhibitor	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated as an oxidation inhibitor RI Rust Inhibitor is designed as a final rinse agent used to inhibit oxidation of untreated ferrous metal. Simply apply, hot or cold, as a final rinse at a use dilution of 95:1. Reminder: Do not rinse product from metal surface after application—let dry.

Product Name	Packaging
Safe-T-Crete	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Safe-T-Crete is a unique formulation for the dissolving of cementitious materials. Designed to be environmentally safe, safe for personnel, and non-corrosive to equipment, Safe-T-Crete does not contain any organic or inorganic acids (such as hydrochloric, phosphoric, sulfuric, hydrofluoric, citric, or glycolic acids). Safe-T-Crete has a relatively high viscosity so it clings to the surface with delayed drying to allow the product time to reverse the hardening of the cement. Excellent for use on forms, cement mixers and cement trucks when you are looking to protect your investment. Ships non-hazardous.

Product Name	Packaging
Tornado Tar & Asphalt Remover	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

A premium grade natural cleaner, Lorchem Tornado penetrates, emulsifies, dissolves, removes tar, asphalt, heavy greases, tree sap, and adhesives. Formulated with natural citrus compounds, Tornado Tar & Asphalt Remover is user friendly, environmentally safe, and will not harm plastics and painted surfaces. May be used as is or diluted with up to 3 parts of light petroleum solvent. Simply spray or brush on soiled area, allow time to penetrate and dissolve, then rinse off with a high-pressure spray or steam.

Vehicle Cleaners

Product Name	Packaging
60-40 (Warsaw)	25 lb. Box, 50, 100 and 240 lb. Drums

Description:

Carwash Powder. Mild but effective. Contains cleaning, wetting, penetrating, and water softening agents. 100% active. No fillers added. Completely water soluble.

Product Name	Packaging
Blue Beacon	50 lbs., 100 lbs. Box

Description:

Lorchem's Blue Beacon is a completely biodegradable water-based, industrial detergent with the special blend of surfactants and water softening capabilities. Blue Beacon quickly penetrates grease, oils and dirt. While it loosens the grime readily, it also will rinse readily. Blue Beacon is a powder detergent for use in car washes with no fillers and a tough cleaning package. It can easily clean cars, trucks, and RV's. Blue Beacon contains Sodium Dodecylbenzene Sulfonate, Ethoxylated Alcohols, Sodium Hydroxide, corrosion inhibitors and water softening agents.

Product Name	Packaging

Description:

Universal Carwash Liquid. Liquid carwash detergent concentrate. Ideal for both hand washing and automatic car washes. High foaming detergent ideal for foam brush applications.

Product Name	Packaging
Dirt Devil	25 lbs., 50 lbs., 100 lbs. Box

Description:

Specifically designed for use through high pressure washers, Dirt Devil is a powdered highly concentrated alkaline detergent. With a special blend of wetting agents and degreasing solvents, it readily removes the toughest grease and grime problems typically found on most vehicle surfaces. Safe for use on all painted surfaces, aluminum, and glass. Safe to use on most food surfaces. Dirt Devil contains Sodium Metasilicate, Ethoxylated Alcohols, water softening agents, natural citrus degreaser, and corrosion inhibitors. Economical.

Vehicle Cleaners (cont.)

Product Name	Packaging
Fifth Wheel	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

A heavy duty non-caustic cleaner / degreaser, Fifth Wheel is perfect for cleaning tractor trailers, construction, industrial, and farm equipment. Formulated to restore faded paint surfaces. Works well in cold water.

Product Name	Packaging
Fleetwash	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Fleetwash has been specially formulated for use in the transportation industry. A highly concentrated liquid alkaline cleaner, this detergent works well on smoke tracks, road grime, grease, oil, and other tenacious soils. Fleetwash has a unique combination of wetting agents and emulsifiers that rinse free and leaves a bright, shining surface. Not for use on polished aluminum and fine finishes.

Product Name	Packaging
Maxi-Kleen	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated at a highly concentrated general purpose vehicle cleaner, Maxi-Kleen contains high quality emulsifiers, alkaline builders, and complex wetting agents. Maxi-Kleen works well in hot or cold water and contains reserve power for extended dilution ratios. Safe for use on all surfaces.

Product Name	Packaging
Rig Master	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Rig Master is a highly concentrated alkaline phosphate-based detergent designed for use on heavy equipment and off-road equipment. May be used as a pre-spray, high pressure, or low pressure spray. Contains a natural citrus component for added detergency. Extremely economical.

Vehicle Cleaners (cont.)

Product Name	Packaging
Road King	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated for heavy duty aggressive cleaning of trailers and construction equipment, Road King emulsifies oils and greases and dissolves carbon-based soils in hard or soft water. Contains inhibitors to help prevent darkening of aluminum. Reserve power for high dilution ratios. Works well with hard and soft water. Not for use on polished aluminum surfaces.

Product Name	Packaging
Road Rage	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated with butyl and a citrus degreaser, Road Rage is a mildly alkaline detergent safe for use on all painted, metal, and plastic surfaces. Contains a unique free rinsing surfactant package. Idea for use on tractor-trailers, farm equipment, and mobile homes. Contains an anti-scale package to protect hot water pressure washers and a corrosion inhibitor package to prevent flash rusting.

Product Name	Packaging
Road Trip	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

A high quality all purpose vehicle cleaner safe for use on all surfaces including polished aluminum. Contains a free rinsing surfactant package. Removes road film in a single step. May be used as a pre-spray, high pressure, or down stream low pressure. Good general degreasing properties.

Vehicle Cleaners (cont.)

Product Name	Packaging
Ultra Kleen II	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Ultra Kleen II is a completely biodegradable natural citrus degreaser industrial cleaner. Ultra Clean is very effective as a prespray for tough cleaning problems on aluminum, stainless steel, metal, tires and engines. Ultra Kleen II cleans glass, painted surfaces and polished aluminum. It dissolves grease, grime, road film and most industrial soils. Ultra Kleen II contains an extremely effective scale stop that helps protect machine systems from scale build-up before it becomes a problem. Ultra Kleen II contains an exclusive water softening package. Ultra Kleen II is completely biodegradable.

Product Name	Packaging
Wash & Wax	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

This one step product is formulated to wash fine finishes clean and leave a protective, attractive coating of wax. Reduces spotting on glass, chrome, and polished surfaces. Safe for use on any vehicle surfaces. For best results, dilute, apply, agitate, and rinse.

Product Name	Packaging
White Lightning	25 lbs. Box; 400 lbs. Drum

Description:

Lorchem's White Lightning is a 100% active powdered vehicle wash; while being highly effective it is still mild. White Lightning is safe to use on fine painted surfaces, aluminum, polished aluminum, and vehicle trim. White Lightning can be used for hand washing, detailing, automatic carwash systems and pressure washers. It is extremely effective in hard or soft water. At use dilution White Lightning has a 7-8 pH; milder than baking soda but with the cleaning power of a highly alkaline vehicle wash. White Lightning contains Phosphates, corrosion inhibitors, Ethoxylated Alcohol, and Sodium Dodecylbenzene Sulfonate. White Lightning is completely biodegradable.

Vehicle Cleaners - Vinyl & Rubber Dressings

Product Name	Packaging
Premium Thick Tire Shine (Warsaw)	

Description:

Water-Based Silicone Dressing. High-gloss, non-slinging formula provides a long-lasting shine that leaves tires with a professionally detailed appearance.

Product Name	Packaging
Rubber Magic (Warsaw)	4 x 1 Gal. Case, 5 Gal. Can, 55 Gal. Drum

Description:

Solvent-Based Vinyl and Rubber Dressing. Exterior dressing for tires, moldings, bumpers, vinyl trim, etc. This special blend of silicone and solvents produces a brilliant long-lasting shine. Vanilla scent.

Product Name	Packaging
Trophy (Warsaw)	

Description:

Water-Based Vinyl and Rubber Dressing. Clean, protect, beautify, and restore leather, rubber, plastic, vinyl, fiberglass, and wood. Returns dull, worn surfaces to their original luster.

Vehicle Cleaners - Windshield Cleaners

Product Name	Packaging
Bug Off (Warsaw)	1 x 4 Gal. Case, 5 Gal. Pail; 55 Gal. Drum

Description:

Windshield Cleaner. Designed for use at service station islands. Removes bugs, tree sap, dirt, and road film. Leaves no film, no streaks, and no smears. Concentrated, one gallon makes 128 gallons of windshield washing solution. No offensive ammonia odor.

Product Name	Packaging
See (Warsaw)	15, 30 and 55 Gal. Drums

Description:

Windshield Washer Solvent. Super concentrated solvent, anti-freeze, and cleaner. 1 drum makes 2 or 3 drums of ready-to-use cleaner.

Vehicle Cleaners - Tire Products

Product Name	Packaging
Big Blue (Warsaw)	1 x 4 Gal. Case, 5 Gal. Pail; 55 Gal. Drum

Description:

Tire Mounting Lubricant. Lubricates and renews rubber and vinyl parts. Contains effective rust inhibitors to prevent rim rust on tire rims; anti-slip formula.

Product Name	Packaging
Slick (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Tire Mounting Lubricant. Water-based lubricant for quick mounting and dismounting of tires. Thick clinging formula. Contains rust inhibitors.

Product Name	Packaging
Whitewall Tire Cleaner (Warsaw)	4 x 1 Gal. Case, 5 Gal. Pail, 15, 30 and 55 Gal. Drums

Description:

Liquid Concentrated Tire Cleaner. Loosens, penetrates, and washes away dirt, grease, and road grime. Bleaches as it cleans. Also formulated to be used as a steam cleaner for motors, parts, housings, and machinery.

Vehicle Cleaners; Two-Step

Product Name	Packaging
Formula 1.A	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formula 1.A is the first step of a two step cleaner/brightener system designed to eliminate the hydrostatic bond between most soils and painted/bare metal surfaces and restored those surfaces to their original gloss and hue. Formula 1.A contains no hydrofluoric acid and is safe for use on painted surfaces, aluminum, stainless steel, chrome, and glass. Formula 1.A is free rinsing.

Product Name	Packaging
Formula 2.A	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formula 2.A has been designed to follow Formula 1.A as part of a balanced two step vehicle cleaner/brightener system. Formula 2.A neutralizes Formula 1.A and also emulsifies grease, oil, and road film soils. Also an effective cleaner/degreaser when used alone, Formula 2.A will not harm painted surfaces and polished aluminum when used as directed. Formula 2.A is free rinsing.

Product Name	Packaging
Formula 2.B	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formula 2.B has been designed to follow Formula 1.A as part of a balanced two step vehicle cleaner/brightener system. Formula 2.B neutralizes Formula 1.A and also emulsifies grease, oil, and road film soils. Also an effective cleaner/degreaser when used alone, Formula 2.B is designed as to work in conjunction with Formula 1.A where more aggressive cleaning is required. Not for use on polished aluminum surfaces. Formula 2.B is free rinsing.

Vehicle Cleaners; Two-Step (cont.)

Product Name	Packaging
Super Kleen 1A HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 1A HD, the first of a two step detergent system, uses state of the art chemistry to deliver superior cleaning without dulling polished aluminum. An effective surfactant package provides an environment for quick road film removal on highly reflective and polished surfaces. Super Kleen 1A HD contains no hydrofluoric acid and is safe for use on all painted surfaces, aluminum, stainless, chrome, and glass at any concentration. Super Kleen 1A HD's non-etching formula rinses film free.

Product Name	Packaging
Super Kleen 2A HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 2A HD has been designed as a second step product in a two step brushless cleaning process. Safe for use, at any concentration, on polished aluminum, glass, chrome and all highly polished and reflective painted surfaces, Super Kleen 2A HD employs a high foam complex surfactant package that neutralizes a first step cleaner and rinses freely.

Product Name	Packaging
Super Kleen 1B HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 1B HD, the first of a two step detergent system used to break the road film bond, does an excellent job removing oxidation on painted surfaces and rust stains. When used as directed, Super Kleen 1B HD is safe on polished aluminum. This product contains no hydrofluoric acid, is safe for use on all painted surfaces and will not etch glass. Super Kleen 1B HD's non-etching formula rinses film free.

Product Name	Packaging
Super Kleen 2B HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 2B HD is an effective second step cleaner designed to produce tenacious foam and remain stable in the presence of grease and oil. Super Kleen 2B HD is a more viscous product capable of providing lubrication for brushes and will rinse freely, even after drying. An effective cleaner/degreaser when used alone, Super Kleen 2B HD will not harm painted surfaces when used as directed.

Vehicle Cleaners; Two-Step (cont.)

Product Name	Packaging
Super Kleen 1C HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 1C HD, the first of a two step detergent system, is an aggressive pre-soak that provides touch free cleaning performance typically found in products containing hydrofluoric acid. Safe on glass, Super Kleen 1C HD does an excellent job removing road film, without the need to brush, and brightens aluminum when partnered with an appropriate second step product. Super Kleen 1C HD's non-etching formula rinses film free.

Product Name	Packaging
Super Kleen 2C HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 2C HD is a versatile neutralizer and cleaner/degreaser that can be used as the second step of a two step brushless cleaning process or as standalone alkaline cleaner. Super Kleen 2C HD works well in a wide range of water temperatures and even in hard water. It can even be used as a non-acidic (alkaline) aluminum brightener. Pre-test at dilution ratio on anodized or mirror polished aluminum surfaces. Do not allow to dry before rinsing.

Product Name	Packaging
Super Kleen 1D HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Lorchem's Super Kleen 1D HD is an aggressive blend of hydrofluoric and sulfuric acid designed to be used as the first step of a two step brushless cleaning process. When used in conjunction with an appropriate second step detergent, Super Kleen 1D HD will remove all road film, help restore the original hue and gloss of painted surfaces, and brighten aluminum. Use guidelines must be followed on Safety Data Sheet and when used on glass. Super Kleen 1D HD's non-etching formula rinses film free.

Product Name	Packaging
Super Kleen 2D HD	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Super Kleen 2D HD is an aggressive alkaline cleaner designed to be used as a second part of a brushless two step cleaning program or as a standalone cleaner/degreaser. When used as a second step cleaner, Super Kleen 2D HD does an excellent job removing road film, cleaning frames and wheels, and degreasing. Pre-test at dilution ratio on anodized or mirror polished aluminum surfaces. Do not allow to dry before rinsing.

Vehicle Rinse Agents, Waxes & Sealants

Product Name	Packaging
Gloss Boss 612	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated for use on all vehicle surfaces, Gloss Boss 612 provides a water resistant coating that works on painted surfaces, glass, chrome, rubber, plastic and metal surfaces. This water resistant coating brings out the shine and luster of dull paint while leaving the surface with a clear thin protective coating. Gloss Boss 612 provides protection to all vehicle surfaces and retards corrosion.

Wash Water Treatment System Products

Product Name	Packaging
Defoamer 5600	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Defoamer 5600 is a super concentrated defoamer used for striking foam in high temperature waste water evaporators.

Product Name	Packaging
Verseen Recycle System Additive	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

A dual purpose product designed for use in wash water recycle systems, Verseen helps with system balance by lowering pH and helps flocculation so that impurities can more easily be removed. Designed to be used through recycle system controllers.

Product Name	Packaging
WTS 600	5 Gal. Pail; 55 Gal. Drum; 275 Gal. Tote

Description:

Formulated for heavy duty aggressive cleaning of trailers and construction equipment, Road King emulsifies oils and greases and dissolves carbon-based soils in hard or soft water. Contains inhibitors to help prevent darkening of aluminum. Reserve power for high dilution ratios. Works well with hard and soft water. Not for use on polished aluminum surfaces.
