

KÄRCHER

makes a difference

CONFIGURED FOR SURFACE CLEANING.

All-in-one cold water, gas-powered, surface cleaner pressure washer.

JARVIS SERIES

One-step solution.

The Jarvis series is a complete solution for quick, streak-free cleaning of businesses' entrances, parking lots, tennis courts, pool decks and sidewalks. This easy to use cold water surface cleaner pressure washer is an all-in-one unit with the pump and engine attached to the surface cleaner, and it is designed to attack the superficial dirt sweeping alone does not get. The Jarvis series surface cleaner pressure washer is perfect for all operators - simple on / off operation, flat free tires and a folding handle for easy transport and storage.

Not shown with standard EASY!Force trigger gun

1 Powerful and durable

- Corrosion-resistant stainless steel surface cleaner housing and a professional grade swivel design for extended, effortless use.
- Reliable Honda GX engine with three-year warranty.
- Professional-grade, direct-drive pump backed by a 7-year warranty.
- Flat free tires for effortless and reliable use.

2 Smart features

- Conveniently located wand holder
- Folding handle for easy storage and transport.
- Simply on / off operation.
- Thick and stiff bristle brush skirt to help keep debris out of the cleaning path, prevent nuisance overspray and help reduce the noise level.
- EASY!Force gun with cruise control like technology - uses its own recoil force to hold the trigger down - so, no more sore hands after hours of use.
