

KÄRCHER

makes a difference

*Shown with optional overhead guard

THE TIME HAS COME TO SAVE TIME.

Double your productivity with this full-size, highly-productive sweeper and scrubber combo.

It's about time.

Every aspect of the Kärcher B 300 R I Lpg was designed to save you time, ultimately saving you money. This machine achieves an astronomical 178,144 ft²/hr cleaning performance. Scrub while you sweep with this dual-purpose industrial cleaner. Enjoy the practicality of the 59-inch maximum dump height of the large 47.5-gallon debris container. Pivotal side-brushes ensure you clean close to the edge every time. To ensure you get a quick return on your investment we built the B 300 with a best-in-class 69-inch working width.

Count on the heavy-duty steel frame and the Kubota LPG engine to provide power and reliability for years to come. Never lose sight of where you are going with the commanding view from the driver's seat of the B 300.

1 Extremely productive

- Scrub and sweep with one machine at the same time
- Best-in-class productivity with a class-leading width of 69 inches
- Get up to 178,000 ft²/hr with this time saving model

2 Easy-to-use

- Hydraulic high-dump disposal feature is productive and practical
- Good visibility from un-obstructed driving position
- Close to the edge cleaning at both sides with pivotable side brushes / scrub deck
- Simple, yet robust controls

3 Heavy-duty construction

- Massive heavy-duty steel frame

4 Designed for the real world

- Unlimited runtime with LPG
- Kubota LPG driven combustion engine for power and reliability
