## Back Pack Vacuum Extreme portability

## Thorough cleaning for those hard-to-reach places.

The BV 11/1 Back Pack Vacuum combines a light-weight, durable design with a 1.7 HP vacuum motor to provide high-suction performance with 4-stage filtration as an alternative to traditional canister vacuums; the BV 11/1 is ideal for use in cramped areas such as movie theaters, buses, trains, planes, offices and hotels. The BV 11/1 features a custom-designed harness that provides superior support and comfort over competitive models and reduced operator fatigue.

**Light Weight & Comfortable Harness**  
Our "höchsten komfort" (most comfortable) harness design is engineered to provide fatigue-free cleaning for the operator and with padded hip and shoulder straps and is adjustable to fit virtually any size operator

360° swivel allows for easy operation and prevents the hose from becoming tangled and kinked when in use

Large 10 quart capacity extends working times

Power Switch Mounted On Hip: Quick on and off within easy view and reach of the operator

Quiet Operation: 67 dBA prevents disruptive cleaning

Kit of most-used tools included: 2-piece aluminum curved wand, floor, upholstery, dusting and crevice tools

Rugged molded polyethylene housing easily endures knocks and bumps associated with commercial cleaning tasks

**Optional Accessories:**

- Paper Filter Bags (10)
- High Efficiency Filter Kit (includes 10 bags & 2 motor filters)
- Turbo Floor Tool Kit (suction operated floor power brush)
