

NEXT-GENERATION STAND-ON CYLINDRICAL SCRUBBING.

Stand-on cylindrical scrubbing at its finest.

The next-generation stand-on cylindrical scrubber.

When compared to a walk-behind-scrubber this machine is twice as productive. This machine was developed from our years of experience as the innovators of the stand-on cleaning segment. No other manufacturer comes close to the depth of our line of stand-on cleaning machines. This model features our innovative cylindrical cleaning technology on our third generation Chariot platform.

1 Cylindrical Scrubbing Technology

- Cylindrical brushes are continuously self-cleaned by centrifugal force, which allows one cylindrical brush to outlast 50 or more cleaning pads saving on labor, material costs and landfill space
- Provides up to 9 times more downward pressure than traditional disc or pad floor scrubbers, creating more consistent cleaning results by evenly distributing downward pressure along the entire contact area of the brush.
- Integrated wet pre-sweep and debris hopper can save up to 40% of your overall cleaning time and labor costs by eliminating the need for pre-sweeping with a separate piece of equipment
- Perfect for scrubbing grouted, uneven, or porous surfaces

2 Cost savings

- Optional chemical metering system with adjustable dilution rate ensures the correct chemical mix is applied and no product is wasted
- Chariots reduce labor cost due to our productive stand-on design allowing you to get more done with the same size staff
- Get a quick return on your investment with prices comparable with similar sized walk-behind scrubbers

3 Productivity focused

- Chariots increase labor productivity up to two times that of a walk-behind scrubber (based on ISSA practical cleaning rates)
- EcoMode optimizes productivity by lengthening run times between recharging and refilling
- Reduced operator fatigue means increased productivity
- Simple-to-train design means more time is spent cleaning
- Full circle visibility, easy to transport around the building, and fits through a standard door
- Optional battery exchange package increases productivity and decreases down-time

Technical Specifications and Order Numbers.

CHARIOT™ 3 ISCRUB 26 SP

TECHNICAL SPECIFICATIONS

| | | |
|---------------------------------|--------------------------|---|
| Cleaning path | in | 26 |
| Productivity (practical) | ft²/hr | 27,639 |
| Brushes (2 cylindrical) | in | 26 |
| Brush motor | hp | 2 x 0.75 |
| Brush speed | rpm | 772 - 950 |
| Brush pressure | lbs | 0 - 44 |
| Solution capacity | gal | 25 |
| Recovery capacity | gal | 28 |
| Electrical system | | 36V 3x12V 205 A/H or 225 A/H, 36V 3x12V 234 A/H AGM |
| Operating noise level | dBA | 69 |
| Weight (w/o batteries) | lbs | 420 |
| Dimensions (L x W x H) | in | 56 x 33 x 50 |

EQUIPMENT

| Order No. | Description |
|-------------|---|
| 9.841-015.0 | Chariot™ 3 iScrub 26 SP, 36V 205 A/H batteries w/ shelf charger |
| 9.841-014.0 | Chariot™ 3 iScrub 26 SP, 36V 225 A/H batteries w/ shelf charger |
| 9.841-016.0 | Chariot™ 3 iScrub 26 SP, 36V 234 A/H AGM batteries w/ shelf charger |
| 9.841-018.0 | Chariot™ 3 iScrub 26 SP, 36V 205 A/H batteries w/ on-board charger |
| 9.841-017.0 | Chariot™ 3 iScrub 26 SP, 36V 225 A/H batteries w/ on-board charger |
| 9.841-019.0 | Chariot™ 3 iScrub 26 SP, 36V 234 A/H AGM batteries w/ on-board charger |
| 9.841-047.0 | Chariot™ 3 iScrub 26 SP, 36V 205 A/H batteries w/ shelf charger, chemical metering |
| 9.841-046.0 | Chariot™ 3 iScrub 26 SP, 36V 225 A/H batteries w/ shelf charger, chemical metering |
| 9.841-048.0 | Chariot™ 3 iScrub 26 SP, 36V 234 A/H AGM batteries w/ shelf charger, chemical metering |
| 9.841-050.0 | Chariot™ 3 iScrub 26 SP, 36V 205 A/H batteries w/ on-board charger, chemical metering |
| 9.841-049.0 | Chariot™ 3 iScrub 26 SP, 36V 225 A/H batteries w/ on-board charger, chemical metering |
| 9.841-051.0 | Chariot™ 3 iScrub 26 SP, 36V 234 A/H AGM batteries w/ on-board charger, chemical metering |

ACCESSORIES

| Order No. | Description |
|---|--|
| <input checked="" type="checkbox"/> 6.907-414.0 | Red nylon brush (2 required) for Chariot™ 3 iScrub 26 |
| <input type="checkbox"/> 6.906-981.0 | White nylon brush (2 required) for Chariot™ 3 iScrub 26 |
| <input type="checkbox"/> 6.906-982.0 | Orange nylon brush (2 required) for Chariot™ 3 iScrub 26 |
