NEW

Prevention is the best medicine.
Portable, high efficiency disinfection mister

PS 4/7 Bp mister

Prevention is the best medicine.

Achieve a higher level of efficacy with the new Kärcher PS 4/7 Bp. This hospital-grade misting system is specifically designed for use with Vital Oxide® disinfectant. Reduce the risks of Health Care Acquired Infections by killing virus, bacteria and mold faster, safer and quieter.

1 The next level of clean

Misting provides higher efficacy by improving coverage more efficiently than spray wipe methods and wipes. It delivers disinfectant into hard to reach corners and crevices found in many healthcare facilities.

2 A complete non-rinse disinfection system

The Kärcher PS 4/7 Bp mister provides precise coverage and required dwell time of Vital Oxide® - no adjustments needed.

3 Safe and easy operation

The Kärcher PS 4/7 mister's ergonomic design and simple controls reduces operator fatigue and cleaning errors. The result is a complete and consistent coverage of Vital Oxide. Vital Oxide carries the safest EPA rating for applying registered disinfectants.

4 Whisper quiet

Use the Kärcher mister anywhere, anytime. The efficient pump and power supply are specifically designed to provide operation without disturbing people around you. The no fragrance formula of Vital Oxide is virtually undetectable even when spraying large areas.

5 Ideal for high risk areas

- Hospitals and clinics
- Nursing homes
- Schools
- Day care facilities
- Transportation

6 Portable

Rechargeable 12-volt system easily provides a full 8 hour of use. A 3 hour recharge time insures the unit gets back into service quickly.

7 Maneuverability

A small foot print and low center of gravity allows the mister to easily glide on 4 swivel caster wheels. Rubber wheels keep the transportation quiet and easy to roll over tile floors and thresholds. The narrow design makes it ideal for travel through aisles experienced on planes, busses, trains and other tight areas.

Technical data

PS 4/7 Bp mister

Technical data

Pressure	PSI	100
Solution spray rate	gpm	.05
Continuous spray time (one battery charge)	hours	8 +
Voltage	volts	12
Wheels	inches	3
Compact height for storage/transport	inches	22.5
Sound level	dBA	30
Weight (including battery)	lbs	32
Dimensions (L x W x H)	inches	19" x 13.5" x 39.5"

Features

Quick change nozzle	■
Self-coiling, non-tangle hose	■
Adjustable handle height	■
Recharge indicator light	■
Order No.	1.007-082.0

- Included in delivery.
