Industrial Pressure Washers  
...Built Right to Do the Job Right

Since 1969

# Cyclone

## Flat Surface Cleaning Attachment

■ Easy-to-clean, high-pressure **Inline Filter** minimizes maintenance by preventing spray nozzles from plugging.

■ **Collapsible Handle** with the twist of a wing nut makes for easy transporting and storage.

■ **Rugged Steel Tubing** with durable epoxy coat finish for all-weather protection.

### Cyclone Specifications

**Rating:** Heavy-duty

**Recommended Usage:** Medium

**Recommended Operating Pressure:**  
2000-4000 PSI

**Recommended Water Volume:** 2-6 GPM

**Attaches to:** Any hot or cold water pressure washer with minimum of 2000 PSI

**Maximum Allowable Water Temperature:** 200°F

**Cleaning Width:** 20 inches

**Net Weight:** 35 lbs.

**Dimensions:** 48"L x 22"W x 37"H

■ Fatigue-free, safety **Handle and Trigger Bar** instantly stops the unit for operator protection.

■ Easy-turn **Swivel Hose Connection** keeps the hose from tangling while attached to the pressure washer for easy handling and maneuvering.

■ **Trilingual Operating Instructions and Warnings** in English, Spanish, and French for convenience of the operator and owner liability protection.

■ **Tubed Pneumatic Tires** absorb vibration and make handling an easy touch.

■ **Rust-free and rugged Polyethylene Housing** gives the Cyclone the life and durability of industrial models but the ease in maneuvering of light-weight designs; narrow enough to fit through any doorway.

- Easily attaches to Hot or Cold Water Pressure Washer
- Up to 6 GPM, 4000 PSI
- Spins at 2000 RPM
- Fatigue-free Trigger Bar

The Cyclone attaches to a hot or cold pressure washer and "mows" grime fast.

■ Self-lubricating **Rotary Union** is handles pressures of up to 4000 PSI and a rotational rate of 2000 RPM at water temperatures of up to 200°F.

■ **Sealed Swivel Caster** allows the Cyclone to pivot easily in and out of tight spaces.
