Industrial Pressure Washers
...Built Right to Do the Job Right

Water Jet

Flat Surface Cleaning Attachment

- Easily attaches to Hot or Cold Water Pressure Washer
- Up to 5 GPM, 4000 PSI
- Spins at 2000 RPM
- Fatigue-free Trigger Bar

■ Easy-to-clean, high-pressure **Inline Filter** minimizes maintenance by preventing spray nozzles from plugging.

■ **Trigger Gun** is holster-mounted to keep wand near by for cleaning hard-to-reach corners; water flow is automatically switched when trigger is pulled.

■ **Collapsible Handle** with the twist of a wing nut makes for easy transporting and storage.

■ **Rugged Steel Tubing** with durable epoxy coat finish for all-weather protection.

■ **Tubed Pneumatic Tires** absorb vibration and make handling an easy touch.

■ Fatigue-free, safety **Handle and Trigger Bar** instantly stops the unit for operator protection.

■ Easy-turn **Swivel Hose Connection** keeps the hose from tangling while attached to the pressure washer for easy handling and maneuvering.

■ **Trilingual Operating Instructions and Warnings** in English, Spanish, and French for convenience of the operator and owner liability protection.

■ Easy-move **Height Adjustment Lever** allows you to raise or lower the spray bar so you can blast off concrete but not dig up asphalt.

■ Self-lubricating **Rotary Union** is protected in a stainless steel housing and feats industrial strength ball bearings and tungsten carbide seat for long life and low maintenance.

■ **Rugged Polyethylene Housing** is durable enough to hold up under the toughest of conditions yet is light enough for easy maneuvering, plus narrow enough to fit through most doorways.

■ **Sealed Swivel Caster** allows the Water Jet to pivot easily in and out of tight spaces.

A holster-mounted trigger gun and insulated wand make for convenient spot cleaning of hard-to-reach places.

LANDA® Water Jet

www.landa.com

The Water Jet is the premier top-of-the-line surface cleaner on the market today.

The Water Jet is an industrial grade super-duty surface cleaner with adjustable spray bar. It attaches easily to a hot or cold pressure washer and "mows" grime on most flat surfaces, from concrete to asphalt. The stainless steel spray bar, with two precision spray nozzles, spins at an astounding 2000 RPM.

Ideal for attacking the toughest, most stubborn grease, grime, and dirt stains, the Landa Water Jet is perfectly suited for cleaning a variety of indoor and outdoor surfaces including concrete, asphalt, metal, and wood.
