

KÄRCHER

makes a difference

CONVENIENT, QUIET AND DEPENDABLE.

Cold water wall mounted and hand held direct-drive pressure washers.

HD WALL MOUNTED

Convenient and quiet.

Kärcher's wall-mount unit has a durable steel frame, uses a quiet 1725 RPM motor, and is perfect for in-shop uses. A remote on/off switch with a 10' electrical cord allows the machine to be mounted high on a wall away from backspray. ETL certified to UL and CSA safety standards.

Shown with optional wall mount bracket part no. 8.920-952.0

Features

- Accepts hot water up to 180 degrees
- Remote on/off switch
- Kärcher Triplex crankcase pump

HD HAND HELD

Light weight and dependable.

These light-industrial hand held units are significantly more rugged than typical consumer substitutes and are built with durable steel frames. Hand-held models come with a dependable axial pump, high pressure hose, a stainless steel wand and detergent injector with brass soap nozzle.

Features

- Durable steel frame
- Axial pump
- Portable, easy to transport
