Industrial Pressure Washers
...Built Right to Do the Job Right

MHC

Self-Contained, Gasoline-Powered,
Diesel-Heated, Hot Water Pressure Washer

- Up to 3.5 GPM, 3500 PSI
- Heavy-Duty Honda or Subaru Robin Engine
- Direct-Drive Pump with 7-Year Warranty
- Schedule 80 Heating Coil

■ Extra-durable **Horizontal Heating Coil** made of leak-free, cold-rolled, Schedule 80 steel pipe with five-year warranty.

■ Unique lift-out design allows for easy and quick **Coil Access**.

■ Top-of-the-line **12V DC Burner** uses new high-tech engineering for better fuel efficiency and lower maintenance.

■ Helpful **Trilingual Labels** with operating instructions in English, Spanish and French for owner and operator protection.

▲ Industrial-grade, tri-plex our **High-Pressure Pump** has a forged brass head and a seven-year limited warranty.

■ Easy-reach **Control Panel** has **Adjustable Thermostat, Hour Meter, and Tachometer** with digital display that flashes a reminder when maintenance is due.

■ Four quick-couple **Nozzles** are made of hardened stainless steel and mounted for ready access.

■ Industrial-duty **Honda or Subaru Engine**, with overhead valves and easy-access oil drain line, is mounted on **Vibration Isolators** for less wear and longer life.

■ 50 ft. of steel-wire braid **High Pressure Hose** with 24-inch guard for burst protection.

■ Many **Safety Features**, including a rupture disk and thermal pump protector to prevent buildup of excess pressures or heat.

■ Rust-free, 10-gallon **Fuel Tank** with elevated fuel line to prevent dirt and debris from reaching burner.

■ Rugged 1¼" square tube steel **Chassis** protected with weather-resistant epoxy powder coat finish.

◀ Durable polyurethane **Battery Box** on electric start models slides out for easy access.

■ Insulated, fatigue-free **Trigger Gun** and chrome-plated, dual-lance **Variable Pressure Wand** for adjusting of the pressure while cleaning.

■ 13-inch, two-ply, tubed, **Pneumatic Tires** for easy maneuvering and **Wheel Brake** for added stability.

■ Options include **Caster Wheels** for extra mobility in tight work areas and **Float Tank** with inlet detergent metering valve.

■ Easy-to-attach **Detergent Injector** for applying soap while washing simply by twisting the handle on the wand.

WHY CHOOSE THE MHC

The MHC is the most rugged, gasoline-powered, hot water, on-site cleaning machine on wheels featuring a unique blend of quality, safety, serviceability, and extra stability. There are six MHC models to choose from; three models feature electric start and three utilize our proprietary Super Duty Regulator (SDR) which allows the machine to operate completely without a battery or magneto system.

BUILT TO LAST: From the heavy-duty pump and energy-efficient 12 volt burner to the single-piece, welded steel frame and our legendary heating coil, the MHC is built to last.

SAFE TO USE: In addition to its ETL certification to the rigid UL-1776 safety standards, the MHC has many safety features, including adjustable thermostat, rupture disk, wheel brake, 24-inch hose guard and tri-lingual operating and warning labels.

EASY TO OPERATE: The MHC is an operator's dream with variable pressure wand, downstream detergent injection, quick couple nozzles, adjustable thermostat and a digital hour/tachometer that even provides service reminders.

EXTRA STABLE: Stability is essential for a portable washer like this. With its one-piece fully-welded 1¼-inch steel tube frame, 13-inch tubed all-terrain tires and engine vibration mounts, the MHC is rock solid.

Shown with optional float tank and caster wheel kit

Model #	Part #	GPM	PSI	Pump RPM	Engine	CCs	Ship Wt (lbs)

Field Installed Options & Accessories

- 8.915-496.0 360° Pivot Hose Reel Kit (100' capacity)
- 8.750-487.0 Pivot Reel (100' capacity)
- 8.750-477.0 Non-Pivot Reel (100' capacity)
- 8.917-541.0 Hose Reel Platform E-Zee Reel & Plumbing (holds 100' of 3/8" hose, not included)*
- 8.917-522.0 Hose Reel Platform Only*
- 8.915-404.0 Wheel Kit (2 front caster wheels)
- 8.915-406.0 Float Tank & Inlet Detergent Valve
- 8.916-184.0 Lifting Bracket
- 8.915-494.0 Trailer Mount Kit

* Should not be used as a lifting rack on the MHC
