WHY CHOOSE THE MP

With a variety of available engines delivering up to 5000 PSI, there is no other cold water pressure washer on the market with such versatility and blasting power as these series offer. Portable and rugged, they come equipped with a high-impact steel roll cage and lifting bar as well as two 13" flat-free tires for easy all-terrain maneuverability, making them excellent choices for tackling a variety of cleaning sites. They include 50' of high-pressure hose rated up to 6000 PSI – more than enough for removing the toughest dirt and grime from your equipment.

MP-373534 with optional hose reel

Stripping bark from logs is only one of the many applications for the MP high-pressure washers with cleaning power of up to 5000 PSI.

DETERGENT FOR EVERY JOB

Landa Kärcher Group's innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.
