

The REVOLUTION
in
WET & DRY VACUUMS...

The Attix 19 Gallon Series

**Nilfisk
ALTO**

Why Compromise

Flexible

Innovative

Quiet Reliable

Mobility and Transport
With a comfortable, integrated handle, it's easy to take the Attix 19 wherever the work is.

Versatile and Flexible
Tilt the container to empty, or simply lift it out of the frame to dispense of its contents elsewhere.

XtremeClean

Filter Cleaning System

The Attix 19-gallon wet and dry vacuum features the XtremeClean filter-cleaning system*, one of the most advanced filter-cleaning systems the market has ever seen.

With the XtremeClean system, there is no need to stop working as the filter is continually being cleaned -- automatically. There are no buttons to press, no canisters to open -- no manual effort at all.

Powerful air pulses gently clean the filter and:

- Reduces down time
- Keeps suction performance at its peak
- Improves the reliability of the machine
- Extends the life of the filter
- Saves you money

*Available on select models only

ERGONOMIC DESIGN

Comfortable handle, tilt or lift-out container, handy tool tray and suction tube holder.

SILENT POWER

Works at a low 57d(B)A

STURDY

Steel frame and stainless-steel canister

HIGH PERFORMANCE

Two-stage turbines and bypass motors

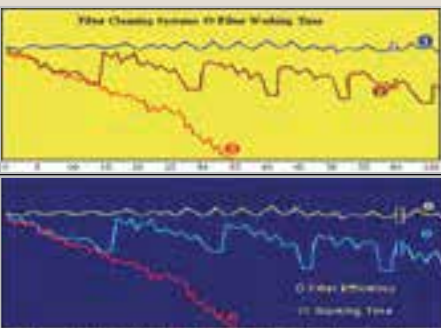

VERSATILITY

Tilting, removable container; optional features including XtremeClean and Automatic On/Off

The Attix 19 Series is perfect for:

- Fire Restoration
- Body Shops
- Industrial
- Oil & Lube
- Automotive
- Construction
- Food Processing
- Manufacturing
- Hospitality
- Agriculture

XtremeClean technology lets you keep working longer, even when working with fine dust.

- ☞ XtremeClean filter-cleaning system
- ☞ Semi-automatic filter-cleaning systems
- ☞ Manual filter-cleaning systems

The product featured in this photo is the Attix 19 AE Flood Sucker.
