

Battery Glazer 17

A Battery Operated Ultra High-Speed Burnisher

The Battery Glazer 17 Floor Machine

A battery operated ultra high-speed burnisher making daytime cleaning a breeze.

Cordless Operation

The days of working with a corded ultra high-speed burnisher are over. The **Battery Glazer 17** floor machine from Tornado® is a one of a kind burnisher that operates on green batteries instead of a standard power cord. You no longer have the hassle of plugging and unplugging the unit as you clean different areas. Delivering two hours of run time before the batteries need to be recharged, the **Battery Glazer 17** greatly increases your cleaning productivity, saving you time and money. For recharging, simply plug the on-board charger into the wall and you are done in no time!

The Green Standard

The **Battery Glazer 17** by Tornado® has minimal impact on the environment and comes standard with rechargeable, maintenance-free gel batteries with an on board charger. The **Battery Glazer 17** green features will meet any LEEDS - EB standard in your work place or facility. Tornado® has always sought to minimize the impact of cleaning on both the indoor and outdoor environment. Being an environmentally-conscious company, Tornado® has also included a dust control feature on this unit to ensure healthier indoor air quality (IAQ). As you operate the **Battery Glazer 17** ultra high-speed burnisher, not only will it produce a professionally polished floor, it will also pick up any dust or small dirt particles in its path. At the end of the shift, simply shake out the dust housing into a trash container.

A Daytime Cleaning Solution

Operating at an incredibly low 59 dBA, the **Battery Glazer 17** is so quiet, you barely notice it running. Gone are the days of waiting until the end of the work day to give your floors the professional shine you require. The silent operating decibel level makes this unit perfect for day time cleaning in a hospital, hotel or any facility where noise sensitivity is an issue. Keep that professional shine on your floors all day long with the **Battery Glazer 17** floor machine by Tornado®.

Incredibly Smooth, Simple Operation

Your entire housekeeping staff can operate the **Battery Glazer 17** effortlessly. Unlike other traditional burnishers, this unit operates with a simple push, allowing the operator full and total control. Anyone on your cleaning staff, male or female, will appreciate the **Battery Glazer 17** thanks to its superior smooth maneuverability. This unit is a "must have" for housekeepers, building engineers and BSC's.

Maximum Productivity for Smaller Spaces

Cleaning more than 7,500 sq. ft. per hour, the **Battery Glazer 17** will increase your cleaning productivity. With a two hour runtime, you clean 15,000 sq. ft. on just one battery charge. Need to get under countertops and maneuver in small healthcare or retail settings? The **Battery Glazer 17** is the perfect solution for you!

Achieve a wet-look finish that is good for the environment.

Versatility

- Healthcare and Nursing Homes
- Hospitality
- Retail
- Education
- Food Service
- Government
- BSC's
- And much more

Key Features

- Powered by eco-friendly gel batteries
