

Marathon 2000 Carpet Extractor

Rugged intelligent design, setting new standards for carpet extractors

Unsurpassed Features

From the innovative leader comes a carpet extractor with features, performance, and a price that are quite simply unsurpassed by the competition. This 20-gallon, self-propelled, forward-operation unit sets a new standard among self-contained carpet extractors. This rotationally-molded unit truly stands up to the rigors of daily use. Its 22" recovery shoe, 20-gallon solution tank, and 20-gallon recovery tank clean in the forward mode and handle large area extraction jobs with ease and efficiency.

State-of-the-Art Design

The all new variable solution pump allows the operator to control the flow of solution to the carpet. Clean light or heavy soak, it's up to you. A 100 psi solution pump penetrates carpets deep-down and a three-stage vac motor with 135" waterlift ensures optimal cleaning performance. A sealed transaxle drive system, two large wheels, and twin front swivel casters provide easy transport over even the heaviest of carpet. The Marathon 2000 can cover up to 8,500 sq. ft. per hour, has variable, operator-controlled speed, and comes complete with a 22" vac shoe, pre-spray wand, and detachable 75-foot power cord.

Marathon 2000 Carpet Extractor

Rugged intelligent design, setting new standards for carpet extractors

Service-friendly

The Marathon 2000 is easily and quickly accessible for service and maintenance operations.

Professional design

A 22" vac shoe, easy-access drain hoses, and detachable 75-foot power cord are standard features on the Marathon 2000.

Quick-fill solution tank

The 20-gallon solution tank permits long periods of uninterrupted operation between refills.

Large-capacity recovery

A 20-gallon recovery tank has a clear cover for monitoring the tank level. The cover is sealed with a heavy-duty gasket for optimal recovery performance.

High-performance carpet extraction

An adjustable brush, 100 psi solution pump, and 22" vac shoe provide deep-down cleaning in one pass.

Built-in spray wand

The unit comes standard with a pre-spray hose and wand for handling edges, corners, and spotting operations.

Operator-friendly

A simple, easy-to-use control panel allows the operator to control speed, solution, and recovery functions. The handle continues Tornado's® excellence in ergonomic design and commitment to operator comfort.

MARATHON 2000

PRODUCT SPECIFICATIONS	
MODEL	MARATHON 2000
CATALOG NUMBER	98190
MACHINE DIMENSIONS	
SIZE (L X W X H)	51" x 22" x 38"
WEIGHT	190 LBS
POWER CORD	75 FT Detachable
CLEANING SYSTEM	
SOLUTION CAPACITY	20 GAL
RECOVERY CAPACITY	20 GAL
BRUSH SIZE	19"
CLEANING RATE (SQ. FT. / HOUR)*	4,193
ADJUSTABLE BRUSH	Yes
VAC SHOE SIZE	22"
BRUSH MOTOR	1/4 HP
CFM/WATERLIFT	95/135"
